Process for accident reporting:

1. All serious accidents are to be verbally reported to the head coach and to the chair of the committee immediately.
2. All incidents must be recorded in the club accident/incident book held with the register at all sessions - two incidents books in two first aid kits.
3. The committee are to be made aware of any serious accident or injury
4. Serious incidents which could possibly give rise to threat of legal action must be reported to ASA insurance brokers immediately. Do not accept liability for any incident as it occurs as this is breach of our insurance policy.

As outlined in the facility emergency action plan (EAP) what action should be taken in the event of an emergency?

1. On hearing the alarm, NNSC coaches to instruct swimmers from the pool and be guided by Centre staff.
2. In the event of fire – coaches to direct swimmers to the nearest emergency exit and await instructions to leave the Centre from the duty officer, if necessary.
3. In the event of drowning alarm, one allocated coach to assemble swimmers on poolside and the remainder to assist with casualty, if necessary. Coach to instruct Leisure Centre to call emergency services. Centre staff to take over when instructed to do so by coach.
4. In other emergencies, coaches to instruct swimmers out of the pool and wait advice from duty manager.
